

# BINGO MATEMÀTIC

Hola Famílies!!!

Aquest document us permet jugar a tota la família al Bingo matemàtic!!

## QUIN MATERIAL NECESSITEU:

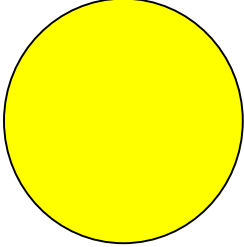

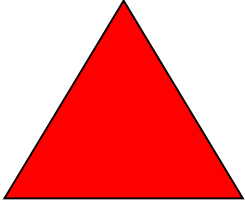

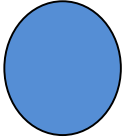

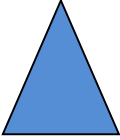

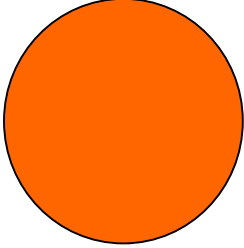

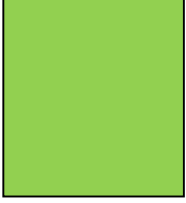

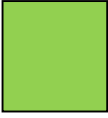

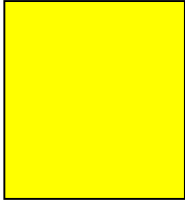

- Impressora o foli de paper, llapis i colors blau, groc, vermell, verd i carbassa.
- Quelcom per marcar cada un dels encerts (fitxa, lletina, moneda, tros de paper, o tatxat amb llampis...)
- Bosseta màgica per guardar les figures impreses.

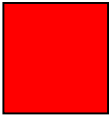

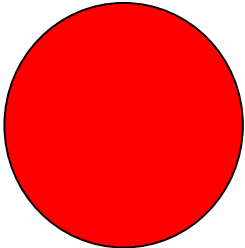

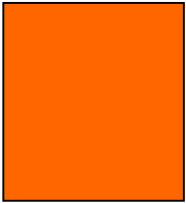

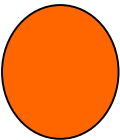

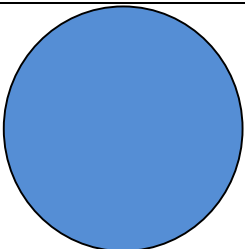

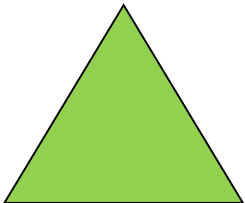

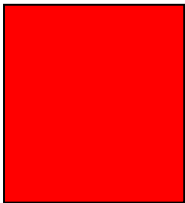

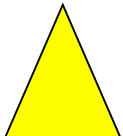

Cada un de vosaltres tindreu un targetó diferenciat. Si no teniu impressora sols cal que us dibuixeu en un paper el targetó que us correspon.

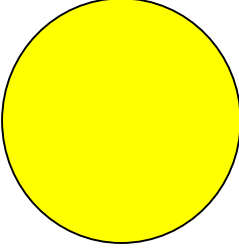

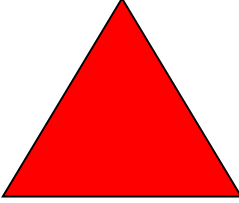

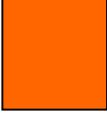

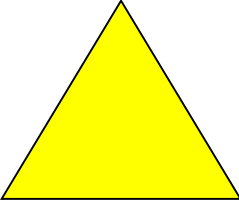

Després un responsable haurà d'anar traient de la bossa màgica les figures geomètriques d'una per una i anar-les cantant! I els altres haureu de trobar la peça en el targetó i tapar-la o tatxar-la. Quan les tingueu totes marcades haureu de cantar: BINGO!!!!

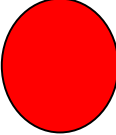

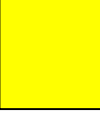

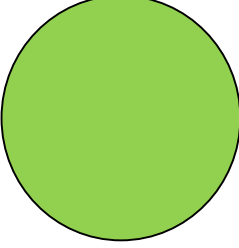

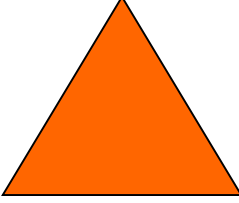

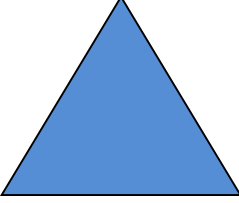

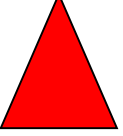

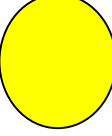

A veure qui guanyarà???

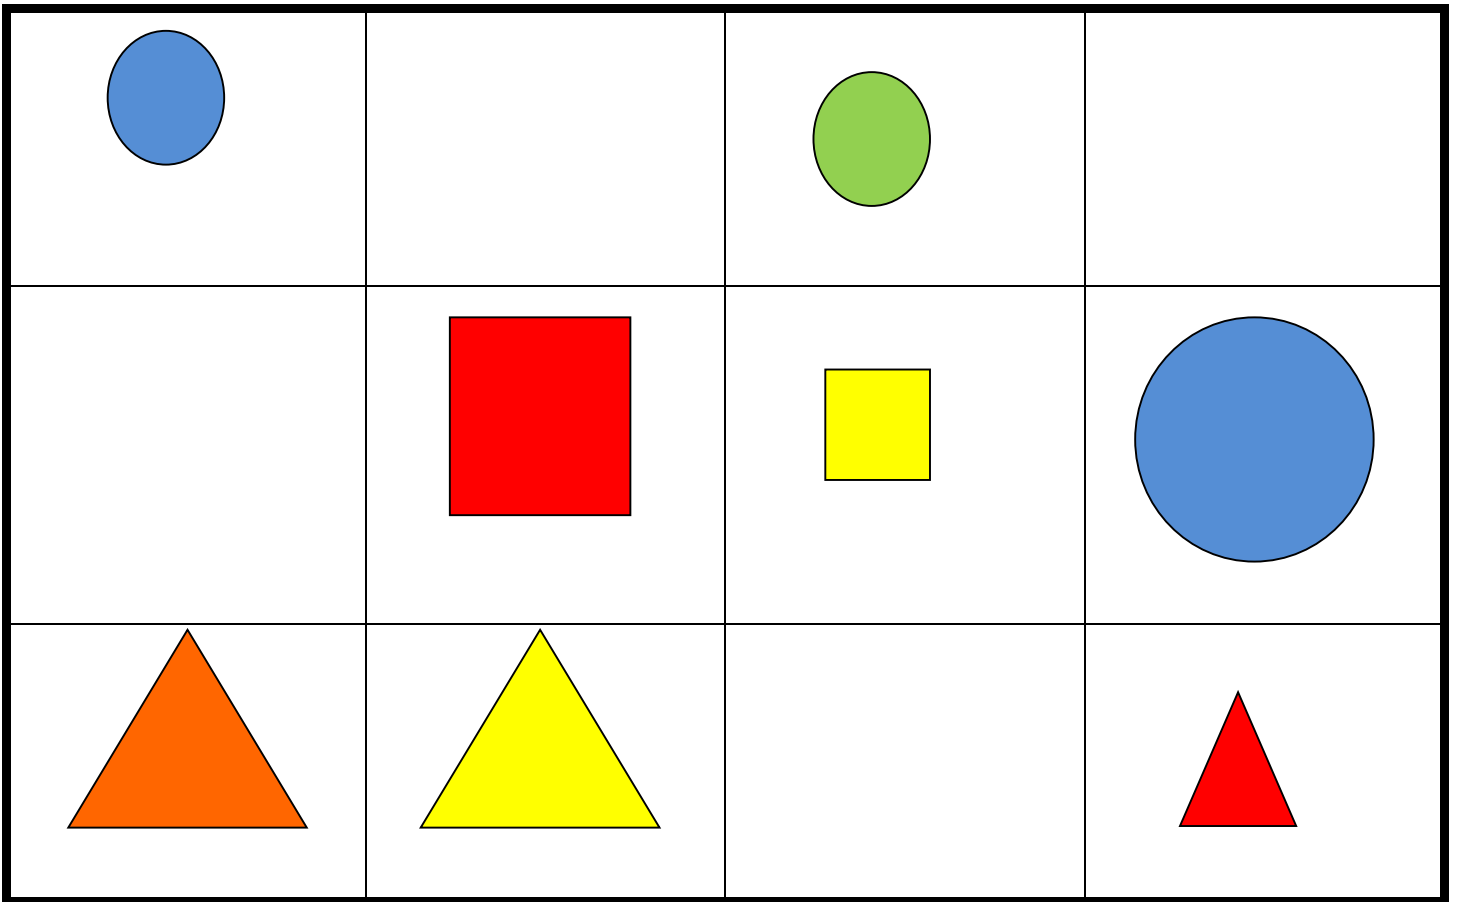

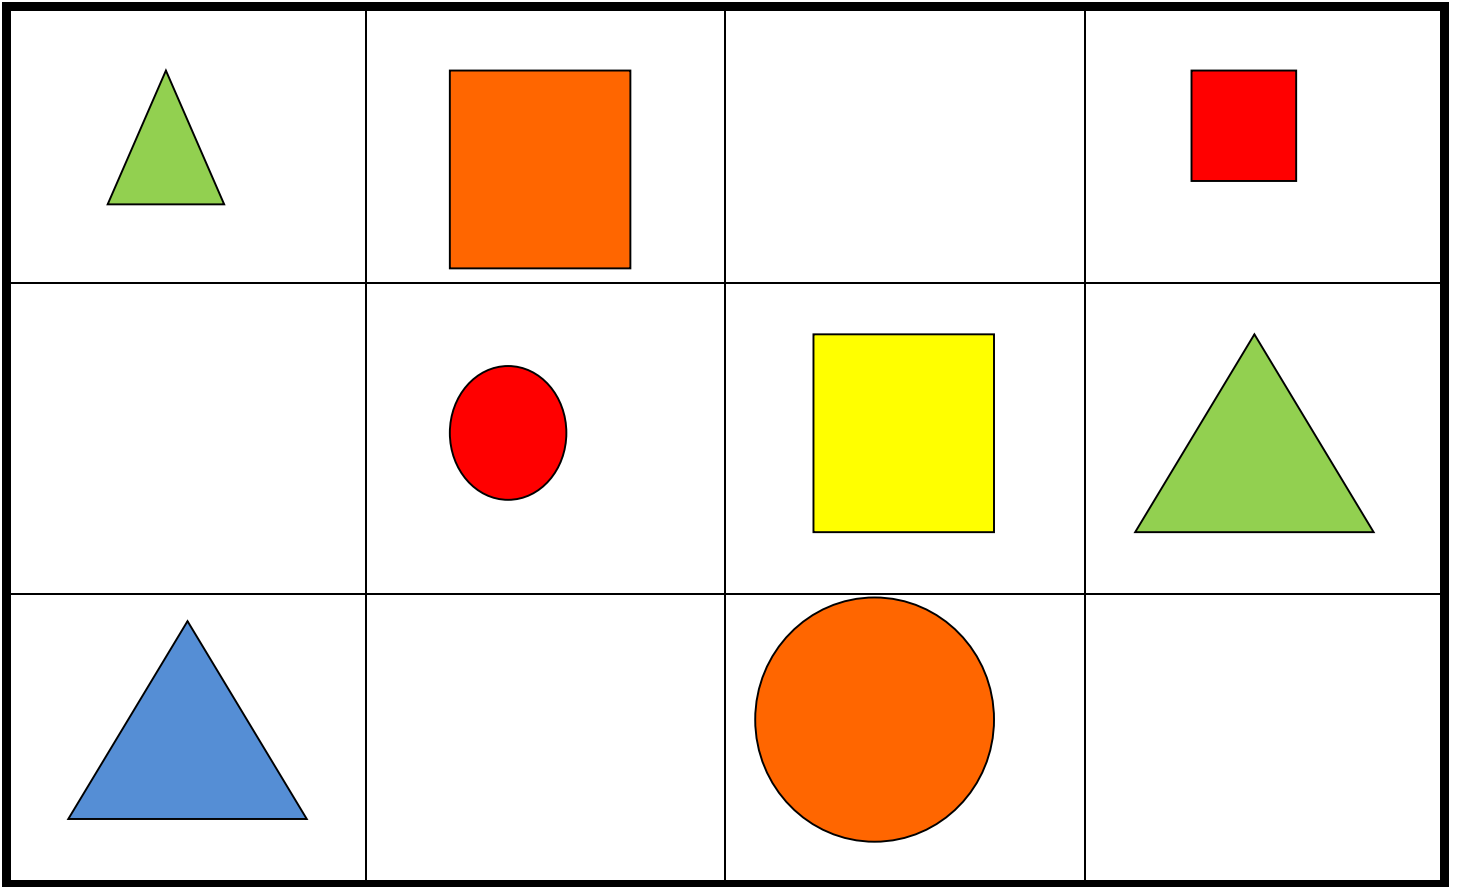

A continuació, teniu models que podeu imprimir per a tothom!
